Dear Senator Nesselbush,

I just wanted to thank you for your excellent presentation to the Rhode Island Health Advocacy Forum. Your perspective on the state budget process and its impact on those less fortunate was very insightful. You have clearly learned a lot in your short tenure as a State Senator. I was impressed by your success on the adoption bill and as I mentioned today, this is a topic that certainly hit home with me personally.

Your comments on the federal disability system were also very well received. It's unfortunate that so many applicants are denied requests for benefits when they are clearly eligible to begin with. Hats off to you, Joe, Chase and the rest of your team for the tireless representation you provide.

Best wishes as you continue your legislative work. Please let me know if I or other members of the RI Health Advocacy Forum can be of assistance.

Sincerely,

Stephen Evangelista
Chief Executive Officer
