**MARASCO & NESSELBUSH**

*Celebrates 18th Anniversary*

**D**uring the month of April, Marasco & Nesselbush proudly celebrated its 18th anniversary as New England's trusted Personal Injury and Social Security Disability law firm. To date the firm has served more than 20,000 clients and prides itself on quality legal work and delivering extraordinary results for each and every client.

In April of 1999, Joseph Marasco and Donna Nesselbush joined as partners to form Marasco & Nesselbush, LLP with just one legal assistant. The attorneys established the law firm on a foundation of old-fashioned hard work, attention to detail, integrity and passion for justice. "Marasco & Nesselbush is a special kind of law firm, a different law firm where people are always placed above profit and where all of our lawyers and bi-cultural staff are relentless in the pursuit of justice for our clients," Nesselbush says.

Blessed with success and many referrals from satisfied clients, within a year Joe and Donna hired the first of many additional attorneys to help handle the caseload. Within two years, they had opened a second office in Wakefield with additional office locations to follow. In 2012, the firm expanded into Massachusetts and Connecticut.

Today, Marasco & Nesselbush, LLP has a legal team of more than 60 professionals including 15 accomplished attorneys. The firm has seven office locations in Rhode Island, Massachusetts and Connecticut and serves clients throughout southern New England. After 18 years, the same unwavering commitment to quality legal work and strong values propels the law firm into the 21st century. "Donna and I are blessed to be surrounded by a team of principled and dedicated professionals. We could not be more proud of the extraordinary character of our team and the legal results they achieve," noted firm partner Joe Marasco.

Marasco & Nesselbush remains dedicated to giving back to the communities it serves and making a positive difference in the lives of New Englanders. In 2015, the Marasco & Nesselbush Charitable Foundation was created to support non-profit organizations in Rhode Island and advance the law firm's commitment to community service. The foundation is funded entirely from employee contributions and has raised more than \$50,000 to date.

## MARYELLEN SQUILLANTE

*From left to right: Joseph Marasco, Maryellen Squillante and Donna Nesselbush*

**M**arasco & Nesselbush is proud to recognize Maryellen Squillante as our Employee of the Quarter for the first quarter of 2017 as she celebrates her 6th anniversary with us. Maryellen, lovingly called “Cookie” by her long-time friends, is known for her compassion, kindness and willingness to go above and beyond for her clients. Her dedication reflects the firm’s reputation for outstanding client satisfaction and exceptional, trusted legal care. Co-founding partner Donna Nesselbush commented that she “was indeed blessed the day Maryellen decided to join the firm after 35 years with the Social Security Administration. Maryellen is uber-knowledgeable, super smart, but most important of all, she is just so kind!”

Maryellen is a life-long Rhode Islander where she resides with her husband and high school sweetheart. When Maryellen is not working, she enjoys spending time with her husband, children and grandchildren. We congratulate Maryellen on her achievements and give thanks for her continued loyalty to our firm.

### *Testimonial*

“They made me feel like family and not just another case. When they say they are going to contact you on a certain date and time they do. I've already referred someone to them. They will be my law firm for life!”

WHEREVER WE LOOK UPON THIS EARTH,  
THE OPPORTUNITIES TAKE SHAPE WITHIN THE PROBLEMS.

**1.6** million Americans sustain a traumatic brain injury each year. In Rhode Island alone, a brain injury occurs every hour, which is only one of many reasons Marasco & Nesselbush remains dedicated to this cause. On April 2, 2017, Marasco & Nesselbush employees attended the Brain Injury Association of Rhode Island’s Enchanted Tea Party fundraiser to advance awareness of brain injury, provide education to prevent brain injury and improve the quality of life for all people impacted by brain injury.
