Marasco & Nesselbush was recently named one of the 2023 Best Places to Work in Rhode Island. This program was created by Providence Business News and Best Companies Group.

At an in-person event on June 7th at the Crowne Plaza, the final votes revealed a 4th place ranking as best place to work for medium-sized companies (50-149 employees, the largest category at the event).

This survey and awards program was designed to identify, recognize, and honor the best employers in Rhode Island, benefiting the economy, workforce, and businesses in the state of Rhode Island. The list is made up of 67 companies.

Companies from Rhode Island entered the two-part survey process to determine the 2023 Best Places to Work in Rhode Island. The first part consisted of evaluating each nominated company's policies, practices, philosophy, systems, and demographics. The

second part consisted of an employee survey to measure the employee experience. The combined scores determined the top companies and the final ranking. Best Companies Group managed the overall registration and survey process, analyzed the data, and determined the final rankings.

"We are once again thrilled by the news," says Marasco & Nesselbush partners Joseph Marasco and Donna Nesselbush. "Being recognized as a top-rated Rhode Island employer is a tremendous honor and a testament to our team's unwavering dedication, hard work, and commitment to creating a positive and fulfilling work environment."

We recently had the honor of attending a ribbon-cutting ceremony for the newly renovated Boys and Girls Club in Woonsocket. The clubhouse will triple the organization's capacity to serve youth and families in the surrounding communities, and we are thrilled to announce that our \$5,000 donation went toward a new elevator for the facility.

It was truly heartwarming to see so many people come together to support such a fantastic organization, and we look forward to seeing all the great things the Boys and Girls Club will bring to the community!
